

Club Advisor – Simon Business School

Position Overview

The Club Advisor serves as a mentor, guide, and resource for the leadership boards of Simon's student-run clubs. This role focuses on fostering strong leadership, making sure students follow Student Life's club guidelines and policies, and promoting a meaningful and engaging club experience for members and the Simon Community.

Time Commitment

The role of Club Advisor requires approximately 2–4 hours per week per club, depending on club needs, including time spent in meetings, attending events, and advising leadership boards.

Duties and responsibilities

1. **Club Leadership Support**
 - Attend club board meetings on a weekly or bi-weekly basis to provide guidance, feedback, and support.
 - Hold club leaders accountable for fulfilling their roles and responsibilities as outlined in their board positions.
 - Ensure board members follow through on club business plans and event execution.
 - Encourage leadership boards to regularly assess how they are serving their membership base and delivering value.
 - Meet with the President at the end of each mini-mester to review their self-evaluation each of their VP's evaluations.
2. **Event Oversight and Involvement**
 - Attend a minimum of one club-hosted event per mini-mester to show support and provide constructive feedback.
 - Make sure that clubs plan and execute one signature event per year that highlights their club mission.
 - Encourage events that prioritize professional, academic, or social engagement over those centered around alcohol consumption.
3. **Guidance and Policy Compliance**
 - Make sure that club boards are meeting at a minimum once per month for board meetings, with club advisors in attendance.
 - Ensure clubs follow Student Life's guidelines, policies, and procedures.
 - Make sure that the club hosts at least one event per mini-mester to keep members engaged and active.
 - Utilize the Student Life team if you encounter challenges, students not following through on duties, or any other concerns or questions.
4. **Collaboration and Community Building**
 - Motivate club leaders to seek partnerships with other clubs and organizations to co-host events and increase engagement.
 - Encourage inclusivity and diversity in programming to create a welcoming environment for all members.

Note: The Student Life team will serve as a co-advisor for all clubs, to maintain lead on all event planning logistics.
